

FAUX ENGLISH RIB HAT – for Garter Carriage

Garter Carriage Pattern in 4 ply (adapted from a Hand Knit pattern in Aran)

The pattern has a four stitch repeat , column 2 is knit by the Garter carriage needle, column 4 is knit on the machine, Columns 1 & 3 alternate between knit and purl and give the rib pattern a really nice look.

Green hat - 4ply acrylic, White hat - 2 strands of a 2ply acrylic.

Stitches – I used 156 plus 1 stitch in knit either side for sewing up – total 158. Use single stitch cams or restrict pattern on an electronic if you've lost your cams like me.

To make Hat smaller or larger change number of stitches by 8, 16 etc,
